Year 9

The Year 9 course offers a broad curriculum keeping doors open for future specialisations

GCSE (2 year and 1 year)

Compulsory core subjects are studied alongside a number of options.

Students usually take between 7 and 9 GCSEs as part of the two year programme or 5 and 7 subjects as part of the Intensive GCSE course.

During GCSEs, students will fine-tune their subject choices to target career ambitions more closely.

A Level (2 year and 18 months)

A-levels are the traditional route into the very best universities.

The majority of our students join the two-year programme. Typically, native speakers of English take four subjects and international students take 3 or 4 subjects.

The 18-month course starts in January. It is very intensive and students must have the appropriate language skills, as well as the academic background, to cope with the pace of study.

ELLESMERE COLLEGE

Ellesmere Shropshire, SY12 9AB

- 7 High performance sports academies.
- Academic excellence across GCSE/A level/ IB and University of London International Foundation Programme.
- 1st UK independent school to be awarded the Arts Mark Platinum Award for delivery of arts provision across the school.

1

Ellesmere College is a fully co-educational school set in the beautiful English countryside. Founded in 1884, the school offers students between the ages of 7 to 18 the chance to achieve success in both their academic and personal journeys through a wide range of activities, including music, art, sport and drama, in a happy, friendly atmosphere. Ellesmere College is a school proud of its distinguished history, but as a school we certainly do not live in the past. We are a vibrant and forward-looking school offering excellent opportunities to boys and girls aged 7 to 18 years. An Ellesmere education is a preparation for living adult life successfully, considerably and with a sense of personal fulfilment. The school places great value upon the individual.

Ellesmere's aspirations for its pupils are higher than simply passing examinations – however vital examination success is – but the value of developing the whole person is fundamental in the school's philosophy.

2

At every entry point to the College – from Year 3 to Sixth Form students are offered a broad choice of academic subjects as well as a vast range of co-curricular activities (DofE, CCF, ESB, EPQ, ILM, Survive & Thrive, expeditions, career conventions, affiliations, etc) that develop essential life skills - leadership, initiative, confidence, teambuilding, and above all a belief in themselves that they can achieve if they try their best – the ethos at the heart of the school – to be 'Life:Ready'.

At Key Stages 2 & 3 we offer a wide curriculum preparing them for their choice of i/GCSEs as they move up to Middle School at age 13 - providing subjects that appeal to all pupils' interests and academic strengths, while keeping class sizes small.

In Sixth Form, students choose A Levels, BTEC or International Baccalaureate (IB), and our students regularly gain entrance to their first-choice university including Oxford, Cambridge and Russell Group institutions. We are ranked in the top 20 British schools offering the IB with students regularly attaining >30 points and are launching our International Foundation Programme (IFP) in the Autumn.

LAS is a Swiss boarding school offering US High School Diploma, International Baccalaureate, and ELA programs. Students enjoy extracurricular activities in sports, arts, drama, and music, and are able to take part in a ski term and cultural travel. University counseling is provided and emphasized, with students attending top universities in the US and around the world. Our boarding school community provides a stable, caring, and supportive family-like environment to 300 students. We also offer two exciting and dynamic summer programs: LAS summer and LAS summer edge.

- We take pride not only in educating strong students but also in attracting the attention of strong universities. The LAS University Advising Office plays a key role in our students' successes, providing them with active guidance throughout their time at LAS. 89% of LAS graduates go to one of the top 5% of universities in the world.
- Our idyllic campus is tucked away in the beautiful alpine town of Leysin, Switzerland. Our stunning location provides a safe place for students to explore and learn together, and it offers many hiking and cycling trails, as well as a ski resort with over 60km of pistes right on our doorstep.
- From LAS to post-graduation, we provide the foundation and resources for students, parents, and alumni to stay connected and maintain lifelong friendships. During their time at LAS students meet weekly in their Faculty Family with 6 "brothers and sisters" led by faculty "parents." Following graduation, students stay connected with our network of over 3,000 alumni and their families in over 85 countries

2

Students live and study in two beautiful main campuses—Savoy and Belle Époque—each of which has a library, cafeteria, and dormitories. We have additional dorms as well as our Magic Mountain Athletic Center, which is fully equipped with a climbing wall, workout center, and a track. All of our buildings have stunning views of the Swiss Alps.
